MINIATURE RICE PUDDING CREAM

DESCRIPTION:

Panizo Creamy Rice Pudding is a liqueur that brings to mind one of the most traditional desserts in our gastronomy, rice pudding.

Its lactic aromas, with pleasant notes of cinnamon and rice and its unctuous, smooth and balanced finish in the mouth, make it an ideal liqueur to enjoy after a meal and as an evening drink. The Panizo Rice Cream is a real "shot of" dessert.

It is recommended to serve it cold or with two ice stones, and even a stick of cinnamon.

Content: 5 cl. Alcohol: 15% Vol.
